

Swap-Meet

We have a Swap-Meet on almost every Saturday. Please check the calendar for any special event that might interfere with the Swap-Meet.

Vendors may set-up inside the building, in the Community Hall parking lot or the dirt lot adjacent to the Community Hall. If setting up in one or more parking spaces along the edges of the parking lot, please park your vehicles outside the parking lot, behind the space(s) from which you are selling.

Hours 6:00AM- 2:00PM

Just come in, pick a spot, set up and start selling. We will come to you during the Swap-Meet to collect your space rent.

Prohibited Items:

1. No food that wasn't commercially produced and packaged and is still in its original packaging.
2. No guns or other items requiring a special license or permit to buy or sell.
3. No illegal items including medicinal marijuana.

All dogs MUST be on a leash and under the control of the owner!
